

The below signed parents and taxpayers petition
the Public School Board of _____ County, State of _____

to approve a four - part curriculum consisting of

a Survey of World Religions, A Survey of the Old Testament, and a Survey of the New Testament, and a Civics Curriculum

to be made available to high school students of their district who, with their parents, request this curriculum to be made available to them either as a classroom course or independent study. The course may be made a part of existing history, literature, or civics courses or taught as a stand-alone course.

Teachers are not allowed to favor any particular religious world view but simply present the texts to the students and facilitate polite discussions by the students as to the meaning of the texts.

The curriculum is in public domain and was created according to guidelines set by the courts. These guidelines have been endorsed by many religious organizations of all faiths and by the ACLU (American Civil Liberties Union).
